2020 TOP DENTISTS LIST

T O P D E N T I S T S L I S T + D E N T I S T S P R O F I L E S

Hundreds of dentists practice here in Tampa, and we know how important it is to trust the person caring for your smile. To help you find the dentist you need, we asked Tampa dentists to nominate the peers they believe stand out from the rest.

Turn the page to begin. Immediately following the list, get to know some of the dentists and orthodontists in the Tampa Bay area.

Tampa Bay dentists chose 39 of their peers from eight specialties as this year's Top Dentists. Here are the winners and runners-up in each specialty.

WHO CHOOSES THE DENTISTS?

In March, we mailed surveys to hundreds of licensed dentists in the Tampa Bay area. The list of active dentists was provided to us by the Florida Department of Health. If there was no clear winner in a particular specialty, we did not include it on this list.

We asked the dentists to nominate the peers they believe to be the best in each specialty, then return the surveys in anonymous prepaid return envelopes or complete the survey through our secure online process. We then tallied the votes from those surveys to compile this list.

WAS MY DENTIST LEFT OFF THE LIST BECAUSE HE OR SHE DOES NOT ADVERTISE IN TAMPA MAGAZINE?

No. Any instances of a dentist on the list also advertising in the magazine is purely coincidental.
